

Annapolis Valley Regional School Board

Working Together for Students

June 3, 2016

Dear Principals,

As per the information received during the last Administrators' meeting, we are ready to proceed with our AVRSB SSP Satisfaction survey.

We will survey all students from Grades 4-12, parents/guardians, teachers, Educational Assistants, and Librarians.

Surveys will be open from Monday, June 6th through Monday June 13th.

Please inform your parent group asap that the surveys are open for them to provide valuable feedback to the school. All surveys must be completed electronically. Please inform parents/guardians that if they need access to a computer, they are certainly welcome to come into the school where a computer will be made available.

Please inform parents of the survey opportunity through whatever means is most effective for your school community. This could include: school website, twitter, Alert Solutions, a notice sent home with students, etc. Please continue to promote the survey throughout the week.

Staff and students can complete the surveys at school. This will guarantee an excellent rate of return with these groups.

Please note that there are specific surveys for each of the groups below. URLs relevant to Cambridge and District Elementary School are listed below as well.
